

STUDENT ARRIVAL GUIDE

Last updated: Jan 4, 2020

FIRST DESTINATION: 海淀区清华大学紫荆公寓19号楼
(清华大学东北门)

I. Before Takeoff

1. All Google services (i.e. Maps, Play Store, etc.) are blocked in China. Be sure to download the maps and directions you need to local storage before you depart for Beijing. Consider downloading an alternative map app for China.
2. Tsinghua dorm check-in is available from 7am to 10pm every day. If you arrive outside this window, you'll need to make special arrangements (try to avoid this).

II. Getting to Campus

3. Before leaving the airport, get cash if you don't already have some. You'll need approximately RMB 200 to get from the airport to campus by taxi (the average fair for this trip is around RMB 130). Don't be afraid, China is a lot less expensive than this, it's just day zero.
4. Proceed to the taxi stand and provide your driver with the address in the box above at top of the page or feel free to take a bus/subway.

III. Dormitory Check-In

6. Present your passport and admissions letter to register for your dormitory. You *may* need to put down a RMB 200 deposit for the room. There is an ATM located on this floor. They will enter your info into the system and give you a temporary dorm registration document 临时住宿登记表 and dorm room key.
7. Grab your documents, key, and luggage and walk south (about 850m) to Dormitory Building 6. The dormitory says “Asian Youth Centre” 亚青 on the side with the entrance. See the map on the right, takes about 11 min (see Map 2).
8. Drop off your luggage and go shopping if you need water/snacks/supplies.

IV. Report to GIX Office
